ALISA & LYSANDRA FRASER

Alisa and Lysandra first appeared on our screens in Channel 9's *The Block – Sky High* in 2013. After a successful career in the police force, South Australia's crime fighting duo hung up their handcuffs to pursue their dream to become interior designers, which kick-started with

their appearance on the show. During their time on *The Block* they proved very early on that they were a force to be reckoned with. Alisa and Lysandra were the series winners, taking out top prize on auction day and profiting a tidy \$395K.

In 2014, Alisa and Lysandra were asked to come back to star in *The Block – Fans vs Faves*. True to their style, they brought back their design flair and naturally entertaining personalities. The duo were runners up, winning over \$600K in prize money.

Alisa and Lysandra collaborated with Channel 9 for the ratings winner *Alisa and Lysandra to the Rescue* where they completely transformed the run-down house of a very deserving Adelaide family in just 4 days. Their latest project involves an online series starting in 2018, covering the high-end renovation of a classic Victorian Terrace that they have purchased in Albert Park, Victoria.

Hailed as the Design Duo, Alisa and Lysandra Fraser have become the go-to experts for interior transformations, working as interior designers on bespoke properties and collaborating with high profile brands and clients, including United Interiors, Beaumont Tiles, Reece, and Steel Blue. Beyond their thriving careers, Alisa and Lysandra enjoy busy parenthood, perfectly balanced with their exciting entrepreneurial lifestyle. Their humble beginnings along with their natural entrepreneurial flair have seen them enjoy online success through their store, their exclusive designs, and their ever-growing social media communities and public appearances.
